Our national philanthropy is Reading is Fundamental
The goal of Chi Phi is to build better men through lifelong friendships, leadership opportunities, and character development. Chi Phi exists to promote a well-balanced personality and to present opportunities for social, intellectual, moral, and leadership development.

OUR BROTHERHOOD
Chi Phi provides its members with a sense of brotherhood that lasts a lifetime. We consist of over 55 members and our brothers come from all different backgrounds and walks of life; we have different interests, different ideas, and different aspirations. We support each other in times of need, we care about each other’s well being, and we push each other to be better men. We have lunch and dinner together every weekday, hold weekly study sessions, and have brotherhood events regularly. Brotherhood events range from seeing a new movie in the cinema to playing yard games on the front lawn.

SERVICE
As members of society we have an obligation to do our part and Chi Phi works hard to give back to the community. We work very closely with the Boys & Girls Club of Easton through hosting paid events, like spinnings, A Holiday at the Vallamont, and other fun events that encourage donations. Each year we manage to raise thousands of dollars, and all proceeds go toward our local Boys & Girls Club. Chi Phi is also heavily involved with organizations like Third Street Alliance, Safe Harbor, Meals on Third, and other groups on campus.

INTERESTED IN JOINING?
Chi Phi participates in formal IFC Recruitment in the beginning of both the Fall and Spring semesters. Candidates must be of a Sophomore rank or higher. During the recruitment period, potential new members are welcome to participate in our daily events, including going bowling and going to the batting cages. Chi Phi takes recruitment seriously as we strive to admit the best candidates into our ranks. If a candidate is seen as a good fit for the Fraternity, the brotherhood will extend a bid, which is a formal invitation to join as a new member.

PANHELLENIC COUNCIL

ΑΓΔ * ΑΦ * ΔΓ * ΚΚΓ * ΠΒΦ * ΔΔΔ

Panhel is the governing body for the six sororities at Lafayette. We ensure the guidelines and protocols from the National Panhellenic Council are met in each of our chapters, and are a resource for every member.

The Panhellenic Council plays an instrumental role in upholding the values of the Greek community, such as leadership, friendship, and service.

As a student-led council, Panhellenic has the ability to broaden and induce positive change in the whole Greek system, as well as learn valuable skills that we can demonstrate to all the chapters on campus.

Are you looking to get more involved and engaged in the Lafayette College community? Do you want more leadership development, civic engagement, and connections with students?

Lafayette College’s 6 women’s fraternities and sororities will be recruiting new members in Fall of 2020. Participation in recruitment does not require you to join a sorority, but gives you the opportunity to check out our 6 chapters and decide for yourself if sorority life can offer something for you. Please remember that you are required to have a minimum cumulative GPA of 2.6 or higher. Please note that some organizations require a higher GPA in order to be extended a bid. Also, you cannot be on Disciplinary Probation Level 1 or higher with the College.

FELLOWSHIP OF CHRISTIAN ATHLETES

MISSION:
We play for one
We want to recruit one more person
We are grateful for one more day

What
Fellowship of Christian Athletes (FCA), was founded in 1954, by a man named Don McClanen. Don believed if star athletes can endorse and represent razor blades, shampoo, and cigarettes then surely they can endorse the Lord as well. FCA at Lafayette is a group that meets weekly to enjoy each other's company and be able to relate in both sport and faith.

Why
FCA is for any athlete (varsity sport or club) who wants to share their faith with others. We welcome everyone! You could be a Christ leader or someone who is just curious about the Christian faith. Our vision is to "Breakdown the walls" and see the Lafayette community transformed by Jesus Christ through sport.

How
If you are someone who is going through a tough injury, the passing of a loved one, or just overwhelmed then come to our weekly meetings. This is not an ordinary group... Friends turn into family and create eternal memories. So come check it out - be vulnerable, hear the gospel, and see what the Lord can do to your heart!

I WILL FOREVER BE GRATEFUL FOR OUR TIME TOGETHER. THE CHALLENGES NEVER STOP, BUT FCA PROVIDES PEOPLE WHO WILL GIVE YOU THE STRENGTH TO PUSH FORWARD AND CHASE THE DREAMS THAT JESUS CHRIST HAS PUT ON YOUR PATH. AND WE DO IT TOGETHER, FOREVER.

Running Club is a place where runners of all abilities can run together.

Practice is offered every weekday at 4:30 and we typically run between 4 and 7 miles.

We have around 25 active members and most members come about 3-4 times per week.

We participate in local races, typically four 5ks and one half-marathon per semester. All races are optional, and the club heavily subsidizes the race entry fees (making it about $10 per 5k and $25 per half-marathon).

Lafayette College Ultimate Frisbee
“Aflicktion”

Who are we?

We are a co-ed club sports team that welcomes all levels of frisbee players! Our team consists of players who started the sport in college, as well as people who have been playing long before coming to Lafayette, and we are constantly pushing each other to be better Ultimate players both on and off the field.

What do we do?

Aflicktion practices twice a week and travels to other college tournaments on weekends. We also host two home tournaments (Fall and Winter) and attend the High Tide Ultimate Tournament in Myrtle Beach. Aflicktion offers great pick-up opportunities such as our Rivalry Scrimmage against Lehigh, our annual alumni Women’s Clinic, and games with the regional club organization Lehigh Valley Ultimate.

Why should you join?

Ultimate Frisbee is a great sport for athletes of all skill sets — it naturally encourages camaraderie amongst teammates and opponents, and is very easy to learn with little background knowledge. Aflicktion is a very welcoming team that will never turn away anyone looking to get involved, and we encourage people to join the team for the sport and the strong sense of community!
